

## **ROGER PEARSON**

---

Roger Pearson was raised on a farm in Brenham Texas and moved to Wimberley in 1994. Roger and his wife Dalene have three children that were educated in the Wimberley school district and at Texas State University in San Marcos. For the past 10 years Roger has been active in coaching youth basketball and soccer. He has also provided energetic leadership to his church's youth group.

Before entering the real estate industry Roger was a technology professional with twenty-four years experience in the management, administration and support of computer information systems. The last five years Roger was the President of CrossNet, a computer-consulting firm focused on delivering technology services to the convenience retail and petroleum industries.

He is a member of the Austin Board of REALTORS®, the Austin-Central Texas Real Estate Information System (ACTRIS) commonly referred to as the Austin MLS and the Central Texas Multiple Listing Service covering Hays, Comal, Caldwell, Guadalupe and Blanco Counties including the cities of Buda, Bulverde, Canyon Lake, Driftwood, Kyle, Lockhart, New Braunfels, San Marcos, Seguin, Wimberley and Woodcreek.

Because of his small town upbringing Roger has focused to become a real estate "generalist" capable of handling the sale of residential, farm and ranch, multi-family and commercial properties as well as leasing. He is dedicated to providing the most current knowledge of the area so that you can make an informed decision in either buying or selling real estate.
